The women will be putting together gift bags for certain occasions/people and need your help to do it. The bags will be gifted when the Pastor or anyone visits someone in the hospital, nursing home or one of our shut-ins. So, we ask as you shop each week to pick up a few items. I know prices are high at the store, which is why we ask that you just pick up a few items each week. We will have a basket in the foyer for you to put your items in. Suggested items would be hand lotion, puzzle book, pen, notebook (small), candy, deck of playing cards. Just think about what you would like in the bag if you were in the hospital or shut-in. We will then label the bags and will be ready to gift them to someone. This will be an ongoing ministry.
