MISSION FOCUS- The Mission focus for April has been making Crisis Care Kits. Crisis Care Kits are essential personal hygiene kits that are distributed to individuals affected by disasters, famines, or other crises. They are often included in international shipments for disaster relief and given to local shelters, Veterans Hospitals and local communities. Sharon has large ziplock bags with a specific list of items available through June. You can take one or more of these bags, fill it with the items on the list and bring it back. We will be collecting the bags until the last Sunday in June. If you have any questions please see Sharon Sebolt.
